

We all over-indulged through the holidays. Now it's time to embark on your New Year's resolution...

INTRODUCING MOTO HEALTH CARE

MOTO Health Care, is a restricted medical scheme offered exclusively to Motor Industry employers and their employees operating in the Motor Industry. ***We understand your needs!***

As a Motor Industry medical fund, we can provide you with the best possible healthcare, geared to the demands of the Motor Industry. MOTO Health Care remains committed to delivering sustainable, cost-effective healthcare solutions for the Motor Industry.

Taking care of our own.

Taking care of our own

Moto Health Care – Taking care of our own

SIX GREAT REASONS TO TRUST MOTO HEALTH CARE

- We create a vibrant health care family for the benefit of employers and their employees.
- We suit the needs of employees within the Motor Industry.
- We have more than the legislated amount of reserves legally required.
- MOTO Health Care is underpinned by accredited business partnerships with administration and managed care providers namely Momentum Medical Scheme Administrators, Clicks Directmedicines and CareCross.
- No brokers = No broker fees! This makes it possible for us to offer members more benefits.
- We educate members countrywide, at their places of work.

Taking care of our own

Moto Health Care – The sustainable option!

MOTO Health Care offers five options namely ***Optimum, Classic, Hospicare, Custom*** and ***Essential*** with benefits designed around people operating in the Motor Industry.

“There is nothing wrong with change, if it is in the right direction”

Winston Churchill.
